PROFESSIONAL SUMMARY

Motivated B.Pharm graduate with a strong foundation in pharmacy operations, patient care, and data management. Certified in ICH-GCP, with a keen eye for accuracy and compliance in healthcare records. Seeking a fresher role in medical coding to utilize my detail-oriented nature and passion for learning to support accurate and efficient healthcare documentation.

KEY SKILLS

- Strong understanding of medical terminology and pharmacological concepts
- Attention to detail and accuracy in managing medical records
- Familiarity with regulatory guidelines (ICH-GCP)
- Basic knowledge of medical coding systems (CPT, ICD, HCPCS)
- Willingness to learn and adapt to medical coding practices

PROFESSIONAL EXPERIENCE

Pharmacist & Owner   Lifeline Pharmacy   **March 2023 – August 2024**

Managed pharmacy operations, including inventory and prescription records, ensuring accuracy. Strengthened organizational skills applicable to handling healthcare data in medical coding

Pharmacist   Nallasivam Medicals   **September 2022 – February 2023**

Delivered patient counseling, improving understanding of medical documentation and compliance.

Trainee Pharmacist Family Care Pharmacy   **September 2020 – February 2021**

Assisted in managing medication records and ensured inventory accuracy, honing attention to detail.

PROJECTS

Dissolution Enhancement of Rosuvastatin Calcium Using Hydrophilic Polymers

Conducted a study on improving pharmaceutical formulations, highlighting research and analytical skills.
